Cleveland, OH 44012

THERMAL TUNING PRODUCTS

NOTICE TO INSTALLERS

Only persons experienced in the installation and proper operation of Design Engineering, Inc. (DEI) products and components should perform custom installations. If you are not a qualified mechanic, do not attempt this installation without proper supervision. Damage during installation will void the manufacturer's product warranty and may not be considered for warranty replacement. DEI will not be held liable for damage or expense incurred which results from installation error.

WARNING

BEFORE YOU BEGIN

Liquid CO² can cause death if inhaled. It can also cause severe frostbite if allowed to contact skin. Please be aware that tanks are highly pressurized and the mishandling of a tank could result in death or serious injury. If you have any questions or concerns about liquid CO², contact an authorized CO² refilling station.

LEGALITY

Many Design Engineering, Inc. products and components are recommended for OFF ROAD Use Only! Check local municipal laws in your area prior to installing any DEI performance products for regulations and enforced legislation. DEI will not be held liable for any incurred fees or penalties while using our products.
